

CHAPTER 24. SUBSTANTIVE RULES APPLICABLE TO WATER AND SEWER SERVICE PROVIDERS.

Subchapter G. CERTIFICATES OF CONVENIENCE AND NECESSITY.

§24.118. Contents of Request for Commission Order Under the Texas Water Code, §13.252.

If a retail public utility in constructing or extending a line, plant or system interferes or attempts to interfere with the operation of a line, plant, or system of any other retail public utility, or furnishes, makes available, renders, or extends retail water or sewer utility service to any portion of the service area of another retail public utility that has been granted or is not required to possess a certificate of public convenience and necessity, the commission may issue an order prohibiting the construction, extension, or provision of service, or prescribing terms and conditions for locating the line, plant, or system affected or for the provision of service. A request for commission order shall include the following:

- (1) the name and business address of the retail public utility making the request;
- (2) the name and business address of the retail public utility which is to be the subject of the order;
- (3) a description of the alleged interference;
- (4) a map showing the service area of the requesting utility which clearly shows the location of the alleged interference;
- (5) copies of any other information or documentation which would support the position of the requesting utility; and
- (6) other information as the commission may require.
